Bottle Drive

This is always a great way to help fund our students and help clean out your recycle bins. Please start to save your bottles for our next BRING YOUR BOTTLES TO CLASS EVENT. November 1 to November 15 you can bring your bottles to class or this year if you are unable to bring them in you can contact Sempaigary60@gmail.com and he will come to your residence and pick them up.

ASKA Supports our Students through your donations

Thank you so much for all the support to date. Because of your generosity, ASKA was able to support our young athletes in many ways. Firstly, an AED was purchased for our south training facility at Sempai Gary's. It will be readily accessible to all that train there.

ASKA was also able to provide some financial assistance to our young students that competed on the world stage in Tokyo Japan. Connor McLeod, Emily Bobye and Amy Bobye all received \$250.00 towards their experience. Cade McNelly was provided \$125.00 to help fund his competition experience in Vancouver BC in May.

Finally ASKA was able to support The Calgary Cup by funding the First Aid Attendants, the volunteer lunch and of course , all the trophies. All of this is only made possible through your generous and unwavering support. Thank you all again.

OUR KARATE COMMUNITY

Alberta's Strongest Karate Association started in 2023. We are a nonprofit society designed to support the experience of martial arts and foster the family experience dedicated to positive self discipline, development and growth. We believe that a sport and social group based on friendship, respect and training in karate makes us strong. We look forward to helping us all to be the best we can be.....together!
